Do Your Rugs Match Your Wall Paper and Hangings?

GRATIFY your taste for harmonious color by the use of Pinkham Home Braided Rugs, replicas of those sturdy beauties woven by Priscilla from favorite bits of material.

Vivid or sombre in tone, these durable rugs—dyed to your order—accord with every type of interior decoration. They mellow gay chintz papers, brighten stately mahogany or form a color complement for the brilliant flowers which bloom on summer hangings and curtains. Suitable for every room in the house—whether mansion or cottage.

Pinkham Home Braided Rugs

Plaited by hand from selected new woolen materials and fast dyed in our own workshop to match any wall paper or decorative fabric on the market. Send samples of hangings and our artists will submit—without charge—special color sketches to harmonize. Pinkham Rugs are carried by the leading stores.

Our twenty-seven different assortments—from \$1.00 to \$1.75—are all one grade.

There are no compromises; there is no “second-best.”

The higher priced selections contain a greater number or more expensive pieces; but the famous Apollo coating is the same on all.

WALL PAPERS

Nothing so makes or mars the appearance of a home as its wall paper. It can detract from the effect of its finest furnishings, or lend attractiveness to the plainest.

Our stock of Wall Paper is most complete. Exquisite color combinations, quaint old-fashioned designs, up-to-the-minute modern patterns are all here for you to choose from. Combined with this we offer you knowledge gained by over fifty years wall paper experience, and service that is willing and prompt.

Actual performance is the real test of any Radio Receiver. Judged on this basis the "Haji" is the equal of any—and at any price.

The Haji Radio Receiver has just been selected by Irving & Casson—A. H. Davenport and Co. for installation in furniture and cabinets of their special design and manufacture—The best in radio receivers was their demand.

The Haji Co. backs up its statements by offering to install a receiver in your home and give you 10 days trial—more if necessary—with no expense whatever to you.

Every Woman a Portrait in Hickson-Ready-to-Don Attire

Why should not every woman look like a portrait—individual, engaging and intensely herself?

It is all a matter of the right wardrobe and discretion in the wearing of it.

In the Hickson Drawing-Rooms we help you to select the ready-to-don attire that is yours, by right of line and feature, by style and type.

Who Is The Secretary of State?

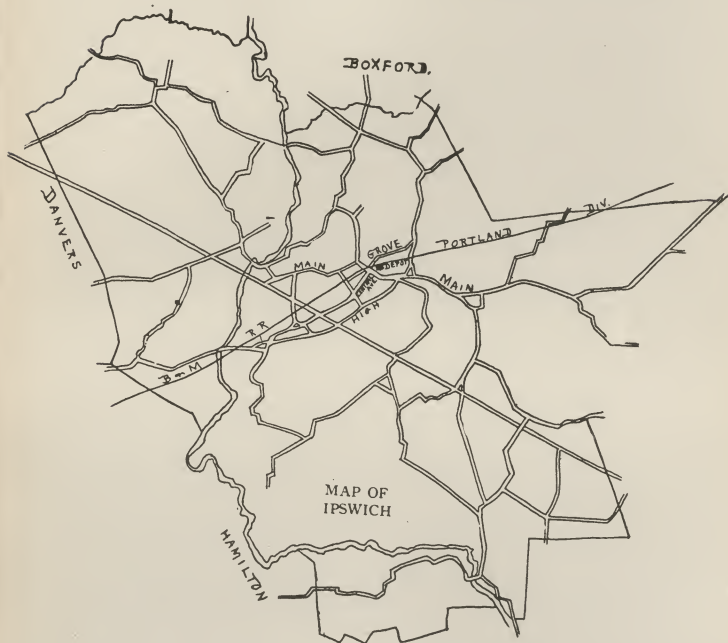

Many a woman couldn't answer that question, yet the woman of today really should find time to keep herself reasonably well informed on the affairs of the world.

And when it comes to finding time, hundreds of women in this city have discovered countless precious hours by letting our Prim- Prest service take wash-day out of their homes. Everything is washed, ironed, ready to put away. And a week without a wash-day gives you new leisure to use as you wish.
